

Plant Nutrient

4-4-0

Top Cut®

Directions – Please Read Carefully Before Using

Guaranteed Analysis

Total Nitrogen (N)	4.00%
3.25% Water Insoluble Nitrogen	
0.75% Slowly Available Water Soluble Nitrogen	
Available Phosphate (P ₂ O ₅).....	4.00%
Calcium (Ca)	3.20%
Sulfur (S).....	1.40%
Iron (Fe)	2.00%

Derived From: BioSolids

Salt Index: 4.00 Bulk Density: 40.00

Net Weight 50 lbs (22.70 kg)

50 lbs. Covers 2,000 sq. ft.

(These rates equal 1 lb. nitrogen per 1,000 sq. ft.)

Item Number: 2067370

SPREADER SETTINGS

Spreader	½ Rate Settings	Full Rate
ACE Green Turf Delux	19	For full rate applications: Use same spreading setting as the 1/2 rate. Make a second application over the top of the first pass.
Agway	19	
Earthway EV-N-Spred	19	
Fertilome	19	
Green Thumb	19	
Lawn Crafter	5	
Precision	9	
Red Devil	17	
Republic EZ	14	
Republic EZ Grow	11	
Scott's Easy Green	29	
Scott's EdgeGuard	11.5	
Scott's other styles	11.5	
Southern States	19	

Note These Setting are approximate. Due to atmospheric conditions and wear on spreaders it is impossible to be 100% accurate, it is wise to set your spreader to a low rate and then measure the coverage of only one pound of turf food. If you are under applying, increase the rate, if you are over applying, decrease the rate. If in doubt, it is better to under-apply than to over-apply and use formulations with more controlled releases, especially during hot dry conditions.

General Information

This product is a highly versatile premium mini-sized fertilizer that is ideal for the nutrient demands of top quality turf management. The precise balance of nutrients promotes a superior, sustained color response that produces the visual appeal turf professionals desire.

How to Use*

For optimum performance, begin spring applications just before soil temperatures reach 50 degrees F. Although nitrogen can be applied at the rate of 1.0 lb Per 1,000 sq ft every 8 weeks, it is also recommended that lighter, half-rate applications be made each month, especially during hot, dry periods. Continue scheduled feedings throughout the growing season until soil temperature retreats to below 50 degrees F. Late fall and dormant feedings are recommended after soil temperatures remain below 50 degrees F for several consecutive days and turf growth has slowed considerably.

Apply product evenly with a calibrated spreader. For best results, irrigating after applications will aid in granule penetration in close-cut dense turf. Removing grass catchers for initial mowing will minimize particle pick-up.

*Southern turf grasses, including St. Augustine and hybrid Bermuda grasses may require higher levels of nitrogen for optimum performance.

**NEVER FERTILIZE WHEN THE GRASS IS MOIST
ALWAYS CLEAN OUT SPREADER AFTER EACH USE.**

DO NOT APPLY NEAR WATER, STORM DRAINS, OR DRAINAGE DITCHES. DO NOT APPLY IF HEAVY RAIN IS EXPECTED. APPLY THIS PRODUCT ONLY TO YOUR LAWN/GARDEN, AND SWEEP ANY PRODUCT THAT LANDS ON THE DRIVEWAY, SIDEWALK, OR STREET, BACK ONTO YOUR LAWN/GARDEN.

Caution: May cause irritation. On Contact with skin or eyes, flush with plenty of water.

PRECAUTIONARY STATEMENT

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

May be harmful if swallowed. May be harmful in contact with skin. May be harmful if inhaled. Causes serious eye irritation. Causes skin irritation. Avoid contact with eyes and prolonged contact with skin to avoid irritation. Keep product locked up. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Remove and wash contaminated clothing before reuse. Do not take internally. Avoid contact with or inhalation of spray or application mist and/or dust. Do not apply this product in such a manner as to directly expose workers or other persons. Not for human or animal consumption.

Personal Protective Equipment (PPE): Wear protective eyewear (goggles or face shield), chemical-resistant gloves, long-sleeved shirt and long pants, and shoes plus socks when using this product. Take off any contaminated clothing and wash before reuse.

KEEP OUT OF REACH OF CHILDREN WARNING

May be harmful if swallowed
Causes skin irritation
May be harmful if inhaled
Causes serious eye irritation
May be harmful in contact with skin

STORAGE & DISPOSAL

Keep out of reach of children. Do not swallow. Avoid breathing dust. Avoid contact with eyes, skin and clothing. Wash thoroughly after handling.

FIRST AID

IF SWALLOWED:	Call a poison center or doctor if you feel unwell: Rinse mouth.
IF IN EYES:	Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center/doctor.
IF ON SKIN:	If skin irritation occurs, get medical advice/attention.
IF INHALED:	Call a poison center or doctor if you feel unwell.
